Sebastian Community Redevelopment Agency Board Chairman and Members
City of Sebastian, Florida

Dear Board Members:

We are pleased to submit the Annual Activity Report of the Sebastian Community Redevelopment Agency for the fiscal year ended September 30, 2016. Section 163.356(8)(C), Florida Statutes, requires each CRA to file with its governing body, on or before March 31 each year, a report of its activities for the proceeding fiscal year, which report shall include a complete financial statement setting forth its assets, liabilities, income, and operating expenses as of the end of such fiscal year. In addition to meeting this legal requirement, the report provides additional information concerning the benefits afforded by the agency to other jurisdictions and citizenry in general.

Responsibility for both the accuracy of the presented data and the completeness and fairness of the presentation, including all disclosures, rests with the management of the City. We believe the data, as presented, is accurate in all material respects, and that all disclosures necessary to enable the reader to gain an understanding of the Sebastian CRA's operation and financial activity have been included.

Respectfully submitted,

Kenneth W. Killgore
Administrative Services Director
City of Sebastian

History of the Sebastian Community Redevelopment Agency (Sebastian CRA)

The Sebastian Community Redevelopment Agency (Sebastian CRA) was created in 1995 by the City of Sebastian City Council under Chapter 163, Part III of the Florida Statutes. The original Sebastian CRA includes an area generally east of the FEC Railroad right-of-way to the eastern City limits. The Sebastian CRA was established to ensure that the downtown and surrounding vicinity would develop with a coherent community vision, and to encourage reinvestment throughout the CRA. The area later was expanded in 2003 to include the Sebastian Boulevard “Triangle” area west of the FEC Railroad right-of-way. The total Sebastian CRA area is 299 acres excluding road rights-of-way (Exhibit 1).

The governing body of the Sebastian CRA is the Sebastian City Council. The Board is comprised of five (5) members. Under the State Statutes and the City ordinances, the Sebastian CRA has substantial powers and authority within the Sebastian CRA area. These include the power to make and execute contracts, to acquire and dispose property, to approve development plans, to implement a program of voluntary or compulsory rehabilitation of buildings, to mortgage its property, to borrow and invest money, and to apply for and accept grants and contributions.

The major funding source for the Sebastian CRA is tax increment revenue. Tax increment revenue is the increase in ad valorem tax attributed to the increase in the assessed value over a ‘base year’ for various jurisdictions in the redevelopment area. The jurisdictions remitting tax increment revenue to the Sebastian CRA are the City of Sebastian and the Indian River County Board of County Commissioners.

After the establishment of the Sebastian CRA in 1995, the City established the Redevelopment Trust Fund and the base year for tax increment revenues as well as adopted the 1995 Community Redevelopment Plan. The boundary was later expanded to include the adjacent Sebastian Boulevard “Triangle” area in 2003, and the redevelopment plan was also modified by the Iler Planning Group on behalf of the Sebastian CRA. The 2003 plan basically unifies the 1995 Sebastian CRA boundary and the expansion area as one cohesive CRA, and presents conceptual district recommendations, potential policy amendments, and capital improvements intended to meet the City’s redevelopment goals.

Accomplishments of the Sebastian Community Redevelopment Agency (Sebastian CRA)

Since the establishment of the original Sebastian CRA in 1995, numerous projects have been accomplished. Accomplishments are as follows:

- ❑ Provided annual funding support to festivities such as Riverfront Christmas decorations, Clam Bake festival, fine art festival, concert in the park, and Pelican Island celebration since the year 2000.
- ❑ Completed Riverview Park Phase I, boat dock, landscaping, and shoreline stabilization project in 2001.
- ❑ Developed community redevelopment master plan in 2003.
- ❑ Completed Jackson Street extension, sidewalk, and street light project in 2004.
- ❑ Completed improvements to the Yacht Club.
- ❑ Completed construction on the Indian River Drive/Main Street project.
- ❑ Established a Façade, Sign and Landscaping matching grant program.
- ❑ Received contribution from the Clambake Foundation and provided the balance of funding for the Flag Pole project, which enhanced the view at the western entrance to the CRA area.
- ❑ Designed billboard advertisements and rented billboards on Highway I-95.
- ❑ Contributed \$20,000 to a film production about the story of Pelican Island.
- ❑ Constructed information boards at Riverview Park and at the Park at Indian River Drive/Main Street.
- ❑ Updated the CRA Master Plan in 2010.
- ❑ Completed construction on the Yacht Club finger pier project.
- ❑ Provided matching funds to the Stan Mayfield Grant that was used for the purchase of the Working Waterfront Properties.
- ❑ Executed lease with Crab E. Bills for a commercial retail fish market and a retail commercial limited food service “Eatery”.
- ❑ Established a Sewer Connection Grant Program to encourage reduction of seepage into the Indian River Lagoon.
- ❑ Completed roadway improvements to the Presidential Streets.

FY 2016 Sebastian CRA Activities

The Sebastian CRA is treated as a special revenue fund of the City. An independent financial audit by an external CPA firm has been accomplished annually to be in compliance with Section 163.387(8), Florida Statutes. An annual budget is also adopted by the Sebastian CRA Board to be in compliance with Section 189.418(3). Major activities and accomplishments of the Sebastian CRA in 2016 included:

- ❑ Provided financial support for the clam bake, concert in the park events and fine art festival.
- ❑ Provided funding for Holiday decorations.
- ❑ Made necessary repairs to the Working Waterfront properties.
- ❑ Contracted for professional mowing and landscaping services.
- ❑ Made improvements to the CavCorp boat parking property.

Tax Increment Revenue

The tax increment revenue is determined annually as 95 percent of the difference between: (a) the amount of ad valorem taxes levied each year by each taxing authority contributing to the Sebastian CRA on taxable real property contained within the redevelopment area, exclusive of the following entities:

- Florida Inland Navigation District
- Indian River County Mosquito Control District
- Indian River County Hospital Maintenance District
- School District, and associated General Obligation Debt funded by ad valorem taxes
- Indian River County Land Acquisition Bond General Obligation Debt
- Emergency Services Dependent Taxing District
- St. Johns River Water Management District
- Sebastian Inlet Taxing District

and (b) the amount of ad valorem taxes which would have been generated by the rate at which the tax is levied each year by the taxing authority, exclusive of the following entities:

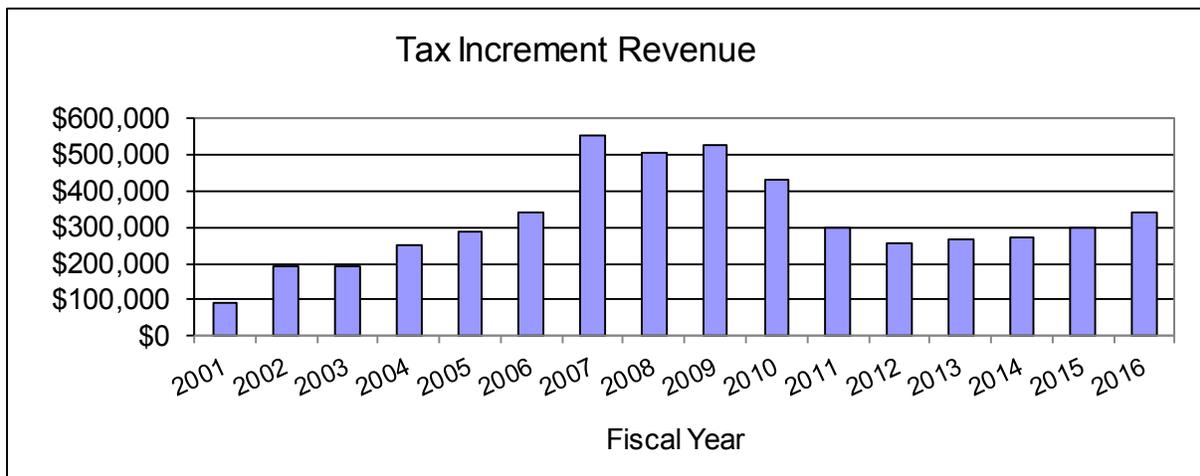

- Florida Inland Navigation District
- Indian River County Mosquito Control District
- Indian River County Hospital Maintenance District
- School District, and associated General Obligation Debt funded by ad valorem taxes
- Indian River County Land Acquisition Bond General obligation Debt
- Emergency Services Dependent Taxing District
- St. Johns River Water Management District
- Sebastian Inlet Taxing District

upon the total of the assessed value of the taxable real property in the community redevelopment area as shown on the assessment roll used by each taxing authority prior to March 22, 1995, the effective date of the ordinance creating the Redevelopment Trust Fund. Indian River County Board of County Commissioners and the City of Sebastian currently make tax increment payments into the Sebastian CRA Trust Fund.

The actual implementation of the tax increment financing was delayed until FY 2001. The City's millage has decreased from \$5.00 per \$1,000 in FY 2001 to \$3.8556 per \$1,000 in FY 2016. The millage for Indian River County has been decreased from \$4.1014 per \$1,000 in FY 2001 to \$3.3602 per \$1,000 in FY 2016. Rates from 2001 through 2016 are presented in Exhibit II below.

The taxable value of real property in the redevelopment area has risen significantly during the same period. In FY 2001 the total taxable value of the redevelopment area was \$45.8 million. Compared to FY 2016 total taxable value of \$91.0 million, the taxable value of the redevelopment area has increased by 98.6%. After subtracting the base year values, the 2016 incremental value has increased almost four and one-half times the 2001 value. The taxable values in redevelopment area from 2001 through 2016 are presented in Exhibit III below.

Financial Statements

The Sebastian CRA is considered a blended component unit of the City and therefore it is included in the City's annual financial audit. In order to meet the requirement of Section 163.387(8), Florida Statutes, which requires the CRA to provide for annual audit of the redevelopment trust fund, the Sebastian CRA has been treated as a major fund of the City. The financial statements included herein are unaudited statements of the Sebastian CRA. Audited statements are included in the City's Comprehensive Annual Financial Report (CAFR) for the fiscal year ending September 30, 2016 and may be obtained in the City Clerk's office 1225 Main Street, Sebastian, Florida or online at <http://www.cityofsebastian.org>.
