# INVERTEBRATE ID QUESTIONS

- **Circle each species we identified today!**
- **How many different types of invertebrates did you identify today?** (Circle one)  
1-2      3-4      5-6      more than 7!
- **Draw an “X” over one species that we don’t want to find in our oyster garden.**
- **How many of the species on this guide have an exoskeleton?**
- **Did we find a species today that was not on this chart?**
- **What was it’s name?**

**GREAT WORK!**
