

CITY OF SEBASTIAN, FLORIDA

PUBLIC COMMENT PERIOD NOTICE 2019/2020 CONSOLIDATED ANNUAL PERFORMANCE EVALUATION REPORT (CAPER)

The City of Sebastian is submitting the CDBG Consolidated Annual Performance Evaluation Report (CAPER). The City is seeking input from potential stakeholders and the public on the CAPER. Approximately \$123,643 of CDBG funding was made available to the City for improvements that benefit low-income citizens of the City. These funds must be used for one of the following purposes:

1. To benefit low-income persons; or
2. To aid in the prevention or elimination of slums or blight; or
3. To meet other community development needs of a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community.

A plan has been developed based upon public hearings. Activities include housing repairs for veterans, elderly and special needs, and sidewalks and pedestrian malls within the Community Redevelopment Area. First year accomplishments include environmental review and release of funds for both housing and sidewalks. They also include receiving and screening housing assistance applications and development of the bid specs for sidewalks.

The public is invited to review the draft CAPER posted on the web at www.cityofsebastian.org or to view hard copy by contacting Ms. Lisa Frazier, Community Development Director at phone: (772) 388-8228 or email: lfrazier@cityofsebastian.org. Written comments can be provided to Ms. Lisa Frazier by April 16th, 2021.
