SECTIONS 2-166 THROUGH 2-173 OF CODE OF ORDINANCES

Section 2-166. Definitions. The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section:

“Board” shall mean any permanent board or committee of the city, which is established by ordinance as a permanent board or committee of the city.

“Committee” shall mean any temporary committee or commission of the city, which is established by resolution to study a specific problem and recommend a solution or policy alternative within a time certain. Its existence shall terminate upon the completion of its assignment or on a date certain as provided by the resolution creating the committee or commission.

Neither “board” nor “committee” shall be construed to include the City Council.

“Resident” shall mean citizens that permanently reside in City of Sebastian, consider City of Sebastian its home of record and have been living in the city for at least one (1) full year prior to application.

Section 2-167. Appointments. The City Council shall make all appointments and reappointments to the boards and committees of the city. Unless waived by the City Council and the applicant, the City Council shall interview persons requesting consideration for appointment at a public meeting. Following said interview, the City Council shall fill the vacancy from the list of applicants. All boards and committees shall have at least one (1) alternate member, with a maximum of two (2) alternate members.

No person shall serve on more than one (1) city board or permanent committee simultaneously.

Section 2-169. Announcement of vacancies, applications for consideration. Vacancies in the membership of any city board or committee shall be publicly announced by the city clerk. Persons wishing to be considered for appointment shall file an application with the office of the city clerk. Procedures for advertisement and filling of vacancies shall be adopted by resolution of the city council.

Section 2-170. Qualifications. The primary consideration in appointing board and committee members shall be to provide the board or committee with the needed technical, professional, financial, business or administrative expertise. An applicant’s previous term as a member or an alternate member of the board or committee on which there is a vacancy may be given special consideration. Whenever a current or former member of a board or committee is being considered for appointment or reappointment to a board, the City Council shall consider the number and nature of the memoranda of conflict previously filed by such individual pursuant to Chapter 112 Florida Statutes, relating to that individual’s previous membership on the board or committee for which the appointment is being considered.

All of the members of each board or committee shall be residents of the city in accordance with the definition in Sec. 2-166. Additional qualifications may be ordained or be otherwise applicable for a particular board or committee.

Section 2-171. Except as otherwise provided by ordinance or by state law, board members shall be appointed to fill specific three-year terms of membership, which shall be staggered, so that no more than three members of a particular board shall be appointed in any given calendar year. In the event that an appointment is made to fill an unexpired term, the member shall serve until the end of the unexpired term.

Terms of all members of any board or committee shall remain active until such time as Council appoints a new member.

Section 2-172. Removal/Investigations. When member appointments are required to be made by an approving resolution or motion, such member shall serve at the pleasure of the Council Member having the appointing privilege for

the consideration of such approving resolution or motion, and shall be subject to removal by such Council Member at any time without cause.

The City Council may remove at any time without cause any member of any City board or committee by promulgating a resolution approved by a majority vote of the City Council.

The City hereby adopts in its entirety the provisions of Florida Statute §112.501 and may also in its sole discretion use it as an alternate method of removal.

Any complaints regarding members of City board or committees shall be referred to the City Attorney for review and any necessary investigations. The City Attorney shall have the authority to issue findings whether founded or unfounded and also whether to recommend removal by the City Council.

Section 2-173. Attendance Requirement. Notwithstanding any other provision of this Code, any board or committee member shall be automatically removed if he or she is absent from three (3) consecutive meetings without an acceptable excuse. An "acceptable excuse" is defined as an absence for medical reasons, business reasons, personal reasons, or any other reason which the chair of the board or committee deems appropriate. Upon notification by the chair of the board or committee that a member has not complied with the attendance requirement, the City Council shall issue an order of removal.

The effective date of removal shall be the date on which the order of removal was entered.

Alternate members shall be required to attend all meetings to ensure a quorum is met and be prepared to vote if a regular member is absent. When a regular member of a board or committee is absent, an alternate may take the place of the absent regular member at the dais. Alternate members will have no right of participation on the board or committee unless taking the place of an absent regular member. If an alternate cannot make a meeting, they shall notify the staff liaison prior to the meeting.
